要	speaking English on a wide variety of topics. Speaking skills are different to language skills. This course will introduce more advanced speaking skills and include some more complicated or academic material. Students have lots of chances to discuss together, and present on their personal interest.
講義方法	【講義方法】
	The general pattern of classes is warm-up discussion in pairs, brief interactive lecture, vocabulary exercises or Listening tasks, then a speaking task related to the day's topic.
授業計画	
7小丰口福	①Orientation: Introductions ②A sense of Place ③Money ④Going Out ⑤Fashion ⑥Learning ⑦Presentations / Review ⑧Travel Abroad ⑨Health ⑩Personality ⑪Personal Entertainment ⑫Something Special ⑬Presentations / Review
到達目標	【到達目標】 Learners will mainly improve at: - Keeping conversations going entirely in English - Participating in lengthy conversation on less familiar topics - Explaining new concepts or social issues - Arguing their viewpoint
評価について	
	The lecturer will discuss feedback with the group and individually. Learners can also submit extra work in person or via email.
